damara megido with chronic pain and
meenah peixes with pots

by amnesiaccollector (tumblr)

ID: a drawing of damara and meenah on a red to pink gradient background. they are standing next to each other and facing opposite directions. damara is sitting in a wheelchair, her elbow is on the arm rest and her head is resting on her closed fist. she is wearing a red shirt and black skirt. meenah is standing next to her with her hand resting on a pink cane. she is wearing a white cropped turtleneck tanktop. her grub scars are visible, as well as a gold heart belly button peircing. she has g string panties peaking over her black pants. both trolls have annoyed expressions. the words "FUCK YOU" are written in white text above them, as well as a spade symbol.

dirk strider with an amputated and
prosthetic leg and dave strider with
chronic pain using a cane

by bringcal (tumblr)

ID: dirk and dave standing back to back
in front of the disability pride flag,
which turns into a starburst pattern in
the middle. the disability pride flag
has a grey background and diagonal red,
yellow, white, blue, and green stripes.
dirks arm is resting on dave's shoulder,
his other hand is clasped around his own
wrist. he is wearing brown shorts with
an orange handkerchief in the front
pocket and a black tank top with his
orange hat symbol on the front. he has a
white prosthetic leg, and is wearing
orange and white sneakers.

dave is wearing a white t-shirt with red
sleeves and a white long sleeve
underneath. both shirts are tucked into
black pants with a brown belt. one hand
is in his pocket and the other is
resting on a black cane with red
detailing on the handle.

deaf jade harley with back issues and
cystic acne and jegbert with knee
issues/weakness

by cryptoidantagonist (tumblr)

ID: jade harley and jeggbert from
homestuck are hanging out in jade's
room. jade is standing and stretching
her back on one side of the picture.
jade has medium brown skin and long
dark brown hair, as well as white dog
ears. she is wearing her normal circle
glasses and has acne. her eyes are
closed and she appears to be
grinmacing. She is wearing a dark grey
long sleeve shirt, a light grey full-
length skirt, black shoes, and neon
green hearing aides in her dog ears.
there are red lines near her lower
back, indicating pain.

jeggbert is sitting on jade's bed,
crocheting a long red scarf. they have
medium-brown skin slightly darker than
jade's and short black hair. they are
wearing their normal white slimer t-
shirt and white shorts. they are
wearing black leg braces on both legs
and have forearm crutches near them on
the ground. they are wearing their
normal rectangle glasses and are
smiling at jade.

the background shows jade's room. there
are a lot of plants in the corners of
the image, as well as squiddles posters
and a disability pride flag on the
wall. the bed jeggbert is sitting on in
a four-poster bed with blue blankets
and a green mesh over the top. on one
side of the image, there is the corner
of a table with a medicine bottle on
it.

dave strider with chronic pain using a
cane and neurodivergent karkat vantas

by DAVorton (tumblr, twitter, instagram)

ID: interior bedroom in the middle of
the night, dave and karkat are on a bed.
karkat is sitting up, crying while
watching something on his laptop halfway
through eating a popcorn. he wears a
grey shirt and dark grey and red
sweatpants. lying next to him is a
sleeping dave, he has long blond hair,
splits on his wrists and knees and wears
red shorts and white socks. they're on a
bed with white sheets supported by
construction bricks and where lies a
small red crab plushie. there's also
dave's shades and a popcorn bowl next to
karkat. lying next to the bed are dave's
red cane, a mug with the red disc on it
and a grey and red chewing stim toy.
behind them, there's a window showing
the city lit in yellow. On the border of
it there's a little cactus in a clay
pot.

on the wall, there's a framed photo of a
younger dave and dirk standing together
in can town.

extending from her shoulder.

deaf meenah peixes with a cochlear
implant

by gooboogy (tumblr)

ID: above, meenah turns off her
conchlear (cochlear) implant so she
doesn't have to hear aranea. we see her
cackling face with bright sharp teeth,
and the golden bejeweled conchlear
implant next to her finned ear. below is
a scene of Meenah with her back turned
while hands from the other alpha trolls
reach out to her. she is holding The
Tumor as it explodes. green lightning
from The Tumor wreaths the previous
images together.

blind terezi pyrope using a cane and partially blind vriska serket with a prosthetic arm.

by harspoonz (tumblr, twitter, instagram)

ID: terezi and vriska in their pajamas lounging on a couch and watching tv in a dark room. terezi's cane is leaned against the couch, and there are string lights above their heads. terezi has her arms behind her head and is smiling. she is wearing a cropped tanktop with a teal libra symbol and red joggers. vriska is to her right. she has one leg stretched over terezi's lap and her tail wrapped around terezi's leg. one arm is resting in her own lap, while her metal prosthetic arm is draped over the arm of the couch. she is looking at the tv with a neutral expression. she has a large burn scar on the right side of her face that extends to her armpit area. she is wearing a white tanktop, blue pajama pants with a skull and crossbones pattern, and white socks.

blind terezi and blind sollux using
canes

by v4mpirer4t (instagram)

ID: sollux walks with terezi, they are both walking with white canes. sollux is wearing a yellow zip up with split color pants (one side is black and the other is red plaid), and mix matched blue and red converse. he has split died hair. he has many peircings on his face. he has a serious expression, like he is focused. his cane had a roller ball ending. terezi is wearing a cropped tube top, grey sweatpants with g string panties up over her hips, and red crocs. she has her head thrown back and her mouth is wide as she is talking. her cane has a classic tip.

there is speech bubbles above their head. the one coming from Terezi says "HAH! AND THEN-" in teal text while the one coming from Sollux says " shut up i'm focusing" in yellow text. each spelled in their typing quirks. around them is a blue border with squiggly yellow and teal lines.

autistic mituna with chronic migraines

by v4mpirer4t (instagram)

ID: a drawing of mituna in front of a muted red background sitting under a blue blanket. he is wearing a red sweater and holding a blue among us pop it. he is wearing yellow headphones and his hair is covering his face. you can see blue and red scaring peaking out under his hair. there is a graphic above him that shows 6 spoons, 5 and a half of the spoons are a lighter color while the other one and a half are a more solid color.
